QUICK COUPLER SYSTEMS  
FOR MAXIMUM PERFORMANCE

# THE ORIGINAL PIONEER SINCE 1993

Almost 30 years ago, OilQuick launched the first fully hydraulic quick coupler, revolutionising the construction industry. We are still visionaries and our OilQuick quick couplers continue to define the state of the art. Every day, our engineers work on groundbreaking innovations that allow attachments to be changed even more quickly.

**Our aim:** We develop products that improve your work. Making your day-to-day work with your fork lift more efficient, convenient and safe.

## EFFICIENCY

Coupling and uncoupling works directly from the cab, without the use of tools or handling oil-contaminated couplings.

## OPERATING EFFICIENCY

At just a few tool changes a day, the investment pays for itself from short changeover times and more intelligent work processes!

## SAFETY

We use innovative tools to redefine safety and significantly reduce the risk of workplace accidents.

## SERVICE

We develop individual special solutions, retrofit innovations to existing equipment and offer a worldwide network of dealers and service centres.

# FOR EVERYONE WITH BIG PLANS WE MOVE THINGS

Classic mast truck, slim narrow-aisle truck or robust all-terrain truck? With fork, clamp or work basket? Every fleet is different, but the OilQuick operating principle always fits. And the result too: you'll be much faster! And your fork lift more flexible. No matter what equipment you work with, we'll match our quick coupler to your fork lift.

ONE...

TWO...

GO!

## FUNCTIONALITY AND SAFETY WELL THOUGHT- OUT DOWN TO THE LAST DETAIL

Robust quick coupler –  
precise, made of high  
quality steel

Coupling arm with quick  
couplings: connect hydraulic  
circuits and lock quick  
couplers with a single cylinder  
movement

Pressure retention valve –  
for a secure connection  
even if a hose breaks

Locking bolts

*»Thanks to quick couplers,  
we've been able to shorten  
our delivery times and  
increase on-time delivery.«*

## **UNDENIABLY EFFICIENT**

A fully hydraulic OilQuick quick coupler extends the range of applications of your fork lift and also reduces change-over time. This increases vehicle utilisation, making your man-machine team even more productive.

# AWARD-WINNING OCCUPATIONAL SAFETY INNOVATIONS AT THE CUTTING EDGE OF THE SECTOR

Our engineers are continuously developing the OilQuick quick coupler. We have your back – with well thought-out user functions, advanced occupational safety ideas and digital features. This also impress experts in the field: Berufsgenossenschaft der Bauwirtschaft (BG Bau, statutory accident insurance for construction and construction-related services in Germany) awarded OilQuick the EuroTest Prize 2019 for its "outstanding technical occupational safety and product safety" achievements.

## YOUR DIGITAL ASSISTANT OILQUICK APP

The OilQuick app helps you to perform routine tasks relating to the quick coupler more quickly and easily – directly on your smartphone or tablet. Popular features include a digital maintenance plan, spare part ordering and our video tutorials.

## YOUR SAFETY REDEFINED

## CLEAN SYSTEM: CERTIFIED SAFETY

The variety of systems has grown along with the rising success of the OilQuick quick coupler – and with it the number of possible system combinations. Practice shows that mixed operation of this type creates unforeseeable complications, even at safety-related interfaces. Which is why we introduced the Clean System Seal in 2019: Over 100 dealers and rental fleets have already voluntarily undertaken to not combine OilQuick quick couplers with products from other manufacturers and to only use genuine spare parts. Because when we guarantee your safety, for us this also means the smooth operation and long service life of our quick couplers.

Contamination  
during mixed operation

A clean,  
homogeneous system

# OQT

## THE BEST FOR YOUR FORK LIFT

Forks, tipping containers or bale clamps, road sweepers, pipe grabs or supporting prongs: We supply the right quick couplers for both tried and tested as well as completely new fork lift applications. For fork lifts of up to 9 tonnes of lifting capacity.

### SUSTAINABLY PROFITABLE

We want to inspire you. With continuous innovation, but also with operational reliability and investment security. That's why we treat your resources responsibly and guarantee above-average service life and high value retention – including via backwards-compatible upgrades.

*»Although our OilQuick quick coupler is untiringly in use, it works just like it did on the very first day.«*

# OQT 300i

FULLY AUTOMATIC QUICK COUPLER SYSTEM FOR FORK LIFTS WITH A LOAD CAPACITY OF 1 TO 3 TONNES

The OilQuick quick coupler for light, manoeuvrable and mobile fork lifts – popular in retail, logistics, trade and industry.

TECHNICAL DATA	
ISO	2A–3A
Coupler weight	80
Max. number of couplings	6
Dimension ½"	6
Electric coupling 10-polig (option)	Yes
Load capacity (t)	1–3 t

DIMENSIONS	
Adapter inside width (A)	880 mm
Height (B)	400 mm
Retaining hook diameter (C)	41 mm
Bolt hole diameter (D)	50 mm

# OQT 850i

FULLY AUTOMATIC QUICK COUPLER SYSTEM FOR FORK LIFTS WITH A LOAD CAPACITY OF 3 TO 9 TONNES

The OilQuick quick coupler for compact fork lifts, combining manoeuvrability with strength. The all-rounder for use in retail, logistics, trade and industry.

TECHNICAL DATA	
ISO	3A–4A
Coupler weight	179
Max. number of couplings	6
Dimension ½"	6
Electric coupling 10-polig (option)	Yes
Load capacity (t)	3–9 t

DIMENSIONS	
Adapter inside width (A)	960 mm
Height (B)	616 mm
Retaining hook diameter (C)	62 mm
Bolt hole diameter (D)	50 mm

*»The half-day training course was just the right mix of theory and practice. I now know, for example, what in particular I have to pay attention to during maintenance and I have a better picture of dangerous situations.«*

## **WANT TO GET EVEN BETTER? WELCOME TO THE OQ ACADEMY!**

OilQuick quick couplers are purchased for their durability, reliability and efficiency. With practical training courses at the OilQuick Academy, we help our customers to take full advantage of this investment. We'll show you tricks of the trade, explain how to minimise wear and tear, and practice until you have fully mastered the safety tools. We alternate between the basics of technology and practical use, between classroom and training grounds. **The aim:** You work even more productively and safely with our quick couplers after the training course. **Tip:** We offer special sales training courses for dealers.

### **SIGN UP NOW AND LEARN MORE!**

For machine operators, fleet managers and mechanics.  
For beginners and professionals who want to get the most out of their vehicles.  
Feel free to get in touch with us for an appointment.

# THE CLEAN SYSTEM NETWORK IS EXPANDING OVER 100 EFFICIENT PARTNERS

From A for ALLU Group to Z for Zeppelin Baumaschinen: Over 100 firms and rental fleets in the construction machinery sector already bear the Clean System Seal. Do you want to locate a Clean System dealer in your area? Or are you interested in a Clean System partnership? **Please get in touch!**

»The Clean System Seal is visible evidence of the high operational safety of our construction machinery, both in sales and in our rental fleet.«

SCHÜNKE BAUZENTRUM  
BAUMASCHINEN GMBH

»We're continuously working on innovative solutions for maximum driver safety and improved construction site efficiency. By participating in the Clean System initiative, we're consolidating our position as a professional, reliable partner for our customers.«

ZEPPELIN  
BAUMASCHINEN GMBH

»Customer focus is a central element of our corporate philosophy. The Clean System partnership highlights our above average quality and service standards.«

ALLU GROUP

»Being in good hands – is part of our mission statement. After all, our customers work in a demanding and often dangerous environment. The Clean System Seal makes an important contribution to occupational safety and therefore builds trust.«

KIESEL GMBH

# OILQUICK BECAUSE YOU DESERVE THE ORIGINAL!

Are you interested in the technical details or looking for a specialist OilQuick dealer? Do you need a quote or want to attend a training course at the OQ Academy? Then please get in touch. Our team will be happy to help! Or visit us at one of the upcoming trade fairs and experience our quick couplers live – all event dates are available on our website.
